This year's spirit at Stebbins was outrageous. Seniors placed first with the most spirit points, Juniors second, Sophomores third and Freshmen last. Our last pep assembly was held in the gym featuring Doug Barnhart in his Arabian Belly Dancer Suit and Go Home Roger Schaub was there to cheer the indians on. Juniors were very hard to beat during the scalp this year they showed tremendous class spirit.

Seniors were bombarded with some very bad news early in the year. The State of Ohio would no longer permit an early release for Seniors. The loss of this privilege caused great confusion and a number of sad Senior faces.

On the brighter side, Seniors were rewarded with a special event. A Senior breakfast and assembly was prepared to honor Senior accomplishments as well as allow for a little craziness in the form of Senior Selects.

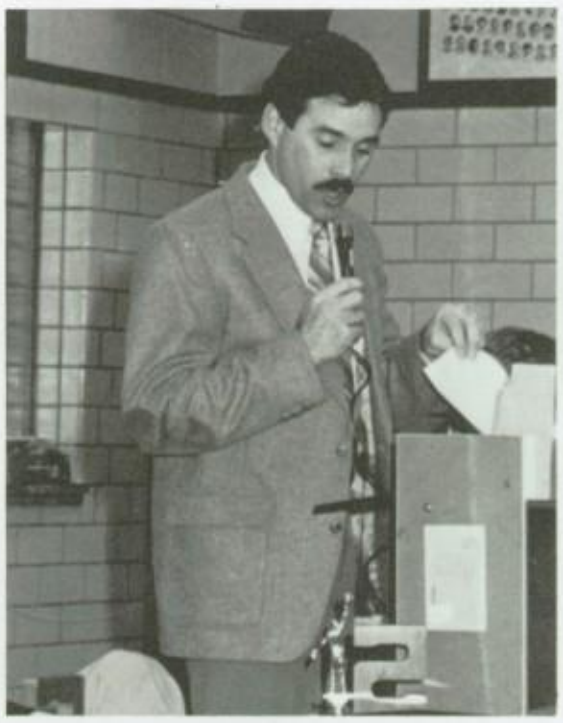
The many long hours of long practice and dedication resulted in disappointments and several bright spots on the playing fields of Stebbins in 1984-85. Indians may not always win in the stiff competitions against tough WOL rivals but they can be proud of the effort and courage thye displayed. Keep working-it will pay off in the future.



Spirit Leads To Homecoming

The homecoming pep assembly was held on a chilly day at Edmundson Field. The bed race competition consisted of entries by the Freshmen, Sophomores, Juniors,Seniors, and Vocational students. Vocational placed first and Seniors placed second, none of the other classes finished. in fact, the Juniors protest that they were ''helped'' into the snow fence breaking several slats.

The cheerleaders put on a wonderful skit using pillowcases and featured Kim Bird ''snaking'' to get the football players preped up for that night's Homecoming game.

On October 26 Kendra Bowling was crowned 1984-85 Homecoming queen. Stebbins played against Springfield North that evening losing to North 20 to 6.

During half-time each class put on a skit, with the Seniors taking first place. Murals wer displayed in the cafeteria, Juniors placed first with a mural portraying life in the ''Big Apple''.

Fun !

Welcome To The Big...

On a magical October night the unexpected happened.... New York came to Stebbins High School! It was the night of the 1984 Homecoming Dance, and the Stebbins cafeteria was transformed into that great city by the class murals decorating the walls. When the music began, the magic started. Couples danced the night away to the sounds of Chicago's "Hard Habit to Break" Jermaine Jackson's "Do What You Do", Lionel Richie's "All Night Long", and faster tunes such as Madonna's "Like a Virgin", and Cindy Lauper's "Shee-bop".

The highlight of the evening was the introduction of the Homecoming Court above: Linda Garcia escorted by Shawn Dukes, Angie Plummer escorted by Willard Watts, this year's Queen- Kendra Bowling escorted by Mike Federinko, and Tina Savage escorted by Brian Howell. Surely, The BIG APPLE will never be the same.

After many hours of discussion and planning, the administration gave permission for Student Senate to hold Field Day. A 25 cent donation went to African famine relief from Stebbins students who attended. The final results showed, as usual, the total domination of events by Seniors. Maybe next year the weather will cooperate so that Field Day can be held on the FIELD.

The Music Awards Assembly was a time for hugs, smiles, and recognition for hard work. Among the seniors awardedwere Sanya Kreml receiving the John Phillip Sousa Band Award, Lisa Limes received her Orchestra Award, Doug Brand was awarded with a Senior Band Award, and Mark, Beth, and Melanie recieved Symphonic Choir Awards. Mr. Howard received a farewell card from students in the band, and Ms. Piper received a picture.

With black bow ties and evening gowns, the cadets of Stebbins' AFROTC program held their annual Military Ball at the WPAFB Officer's Club. There were more than 300 cadets from Stebbins, Fairborn, Lebanon and Wayne, who danced away the night to the beat of the music that ranged from Blue-grass to PunkRock. The highlight of the evening was the announcing of the queen. Melissa Bailey was crowned 1985 Stebbins Queen of the Military Ball with Melicia Boozer, Tracey Williamson, and Tammy Stockman being her court. Everyone had an enjoyable evening and when it was all over and the lights went out everyone was looking foward to next year.

Dance Away the Night ...

The '85 prom theme was ''A Night in Heaven'', and the evening turned out to be exactly that. Wampler's Ballarena was the setting for the starlit night. Bright stars, half moons, a star fountain, and a stairway to the sky decorated the arena. Chuck Allen Productions provided the soft rock setting.

The highlight of the evening was the crowning of the King **Doug Brand** and the Queen **Angie Plummer.** The Senior Court was **Tina Savage** escorted by **Joe Tartell, Kendra Bowling** escorted by **Scott Stumpfl,** and **Gwen Steele** escorted by **Steve Bruggeman**. The Junior Court was **Tina Davis** escorted by **Mark Strong, Roberta Bruggeman** escorted by **Dale Moore, Dawn Stocker** escorted by **Dave Hogsette, Angie Crase** escorted by **Tim Sweeney,**and **Pam Clouse** escorted by **Earl Saul.** The court members danced to '''heaven'' by Brian Adams.

DRAMA CLUB

During 1984-85, the Stebbins drama club presented two melodramas: **dracula** and **An Orphan Girl**. This fall's production of **Dracula** provided the audiences with an unusual look into the terrifying world of the supernatural. MarkGerrior played the starring role as Dracula and Renee Forsythe served as a tempting victim. The spring play also featured Mark Gerrior in the lead as ''Pa'', main character in **An Orphan Girl.** The drama club put tremendous energy and talent into these productions.

THRILLS CROWD !

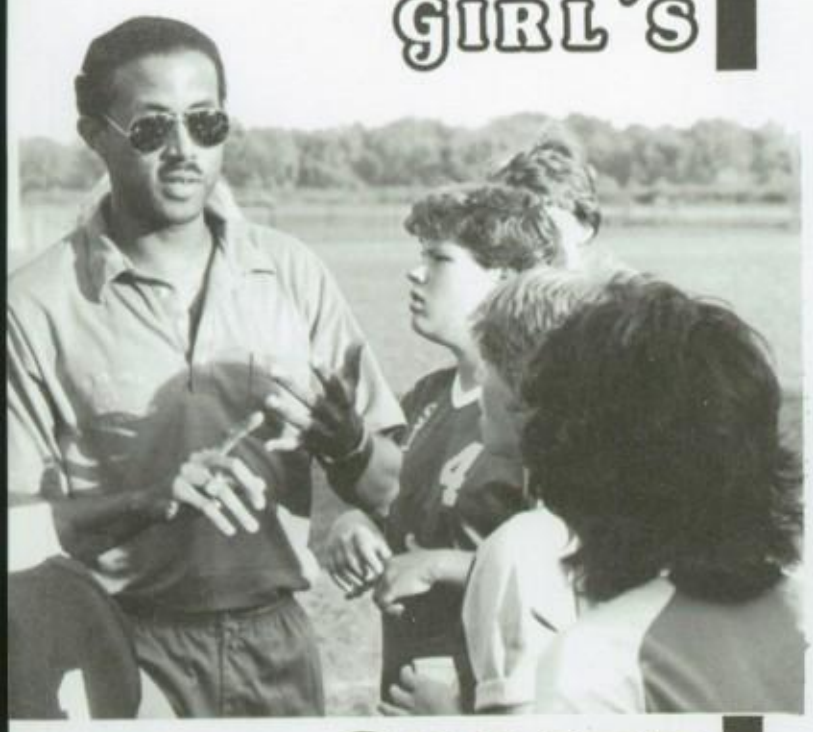
GIRL'S SOCCER SCORES 6-11 SEASON



Under new coach Bill Shelton, Stebbins girls soccer started the season with a rocky beginning and ended the same. With a record of only six wins and eleven losses. Team spirit and determination showed a lot of potential, but game efforts failed to meet the challenge.

According to many players, the most exciting game of the year was the tournament game against Xenia. After two ten minute over-times and five penalty kicks kicked by each team, the game ended in a disappointing loss of 4-2.

At the Awards Night November 5, honoring the girls soccer players, the team members selected Senior Jo Anna Martin the most-valuable player and coach Shelton selected Junior Brenda Merrell for the coaches award. Individual honors in the Western Ohio League went to Junior Mary Drysdale 2nd team WOL, 2nd team All- Area; Senior Jo Anna Martin 2nd team WOL; Senior Kris Johnson 3rd team WOL; Junior Brenda Merrell 3rd team WOL; Senior Beth Johnson honorable mention WOL; and Sophomore Audrey Cyzick honorable mention WOL.

Student Senate began the 1984-85 school year with the ever-exciting Homecoming activities, which not only includes the Homecoming dance, but also the bed race, the half-time skits and Spirit Week. Then came the annual Christmas Fund Raiser which raised two thousand dollars for the needy children of Mad River Twp. They also sponsored the Spirit Chain contest against Wayne which we won again for the sixth straight year. They held a Staff Appreciation Day to acknowledge Stebbins' hard working teachers and a WOL Day to give the many schools involved a chance to get to know each other. Senate has also shown us the talent in our school by offering the Rainbow of Stars talent show once again. Obviously, Student Senate has been busy all year long keeping up the Spirit of Stebbins High.

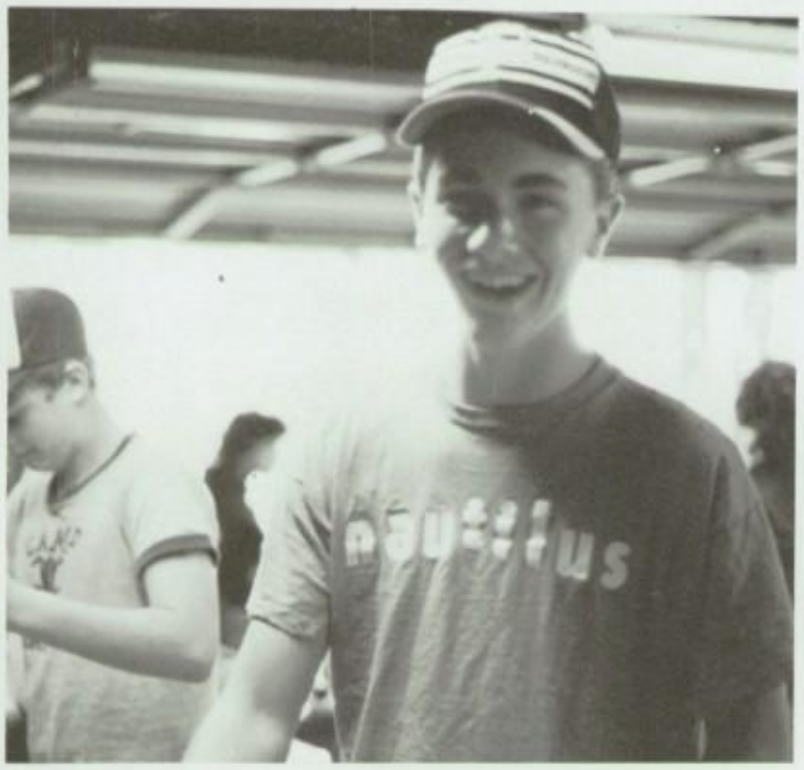
VICA Grows Stronger !

The Vocational Industrial Clubs of America, better known as VICA, is probably the largest and most active club in the building. Among the group's activities were individual field trips, participation in competitions such as the Plymouth Trouble shooting Competition and VICA Skill Olympics.

One highlight of the year was the VICA picnic held at K of C Park. Mr. Cook and Mr. Cottle helped by burning most of the hotdogs and burgers while students played volleyball and softball. Mr. Whitaker was official umpire, of course.

Each fall VICA sponsors a major fund raiser- the fruit sale. Tangelos, oranges and grapefruit are sold by the bushel ranging in price from $14 to $19 per box. Money earned was used to defray the expenses of VICA Breakfasts, awards and other club social activities.



OOEA

ON THE MOVE

Junior Business Data Accounting, Stenography, and Clerical classes were very active in 1985. Steno classes toured Delco where they visited the computer facilities and telecommunications systems. April Stevens of Senior Clerical represented Stebbins in the Century III scholarship program. Participation in OOEA and other business related activities kept several of these classes busy in 1985.

Helping with the Chores

DE, OWE, and OWA are work related ourses which allow students to pass all their required courses and also earn money working at a steady job. The clubs started the year with a ''get acquainted'' breakfast featuring sausage and biscuits prepared by Mr. Clingner and Mr. Taylor. Students enjoyed several field trips- rollerskating, bowling, employer banquets and other valuable learning experiences.

Two New Groups Form

SADD, Students Against Drunk Driving, formed a new organization at Stebbins this year. Students distributed information on the dangers of driving and drinking to parents and peers. One unusual activity sponsored by the group was the showing of a movie about drinking teens and their problems just prior to the prom.

A new Christian organization, **Living Waters**, Dedicated itself to studying the **Bible** in a school environment. Regular weekly meetings involved many students in group activities and personal interaction with others.

STUDENTS HELPING OTHERS

One of the new organizations this year is Peer Counseling. It is a 4th period class whose doors are open to anyone who wishes to talk with the peer facilitators. At the beginning of the year, the peer facilitators helped many of the new students to get to know the building and make new friends. They showed then around the school and ate lunch with them to help them make their start at Walter E.

Drama Club presented two plays this year, helped the children with the Haunted House Festival, and held their second annual awards ceremony. The students, under the direction of Mrs. Howell, presented the chiller **Dracula** in the fall and a melodrama this spring. Many talented actors gained experience and stage knowledge by staying active in the club.

Round IV is the Stebbins show choir. This year the choir consisted of only females for the first time. Some of their feature performances included the "Stray Cat Strut" and a triple treat, the Bruggeman sisters singing the "Triplet Song".

Concert Choir performed several pop songs for the audience at the fall concert on November 18. "Hello", "Truly", and "Never Gonna Let You Go".

Symphonic Choir performed selections from "Annie" and pop songs such as "Uptown Girl". The choir received a superior rating at the OMEA State Competitions.

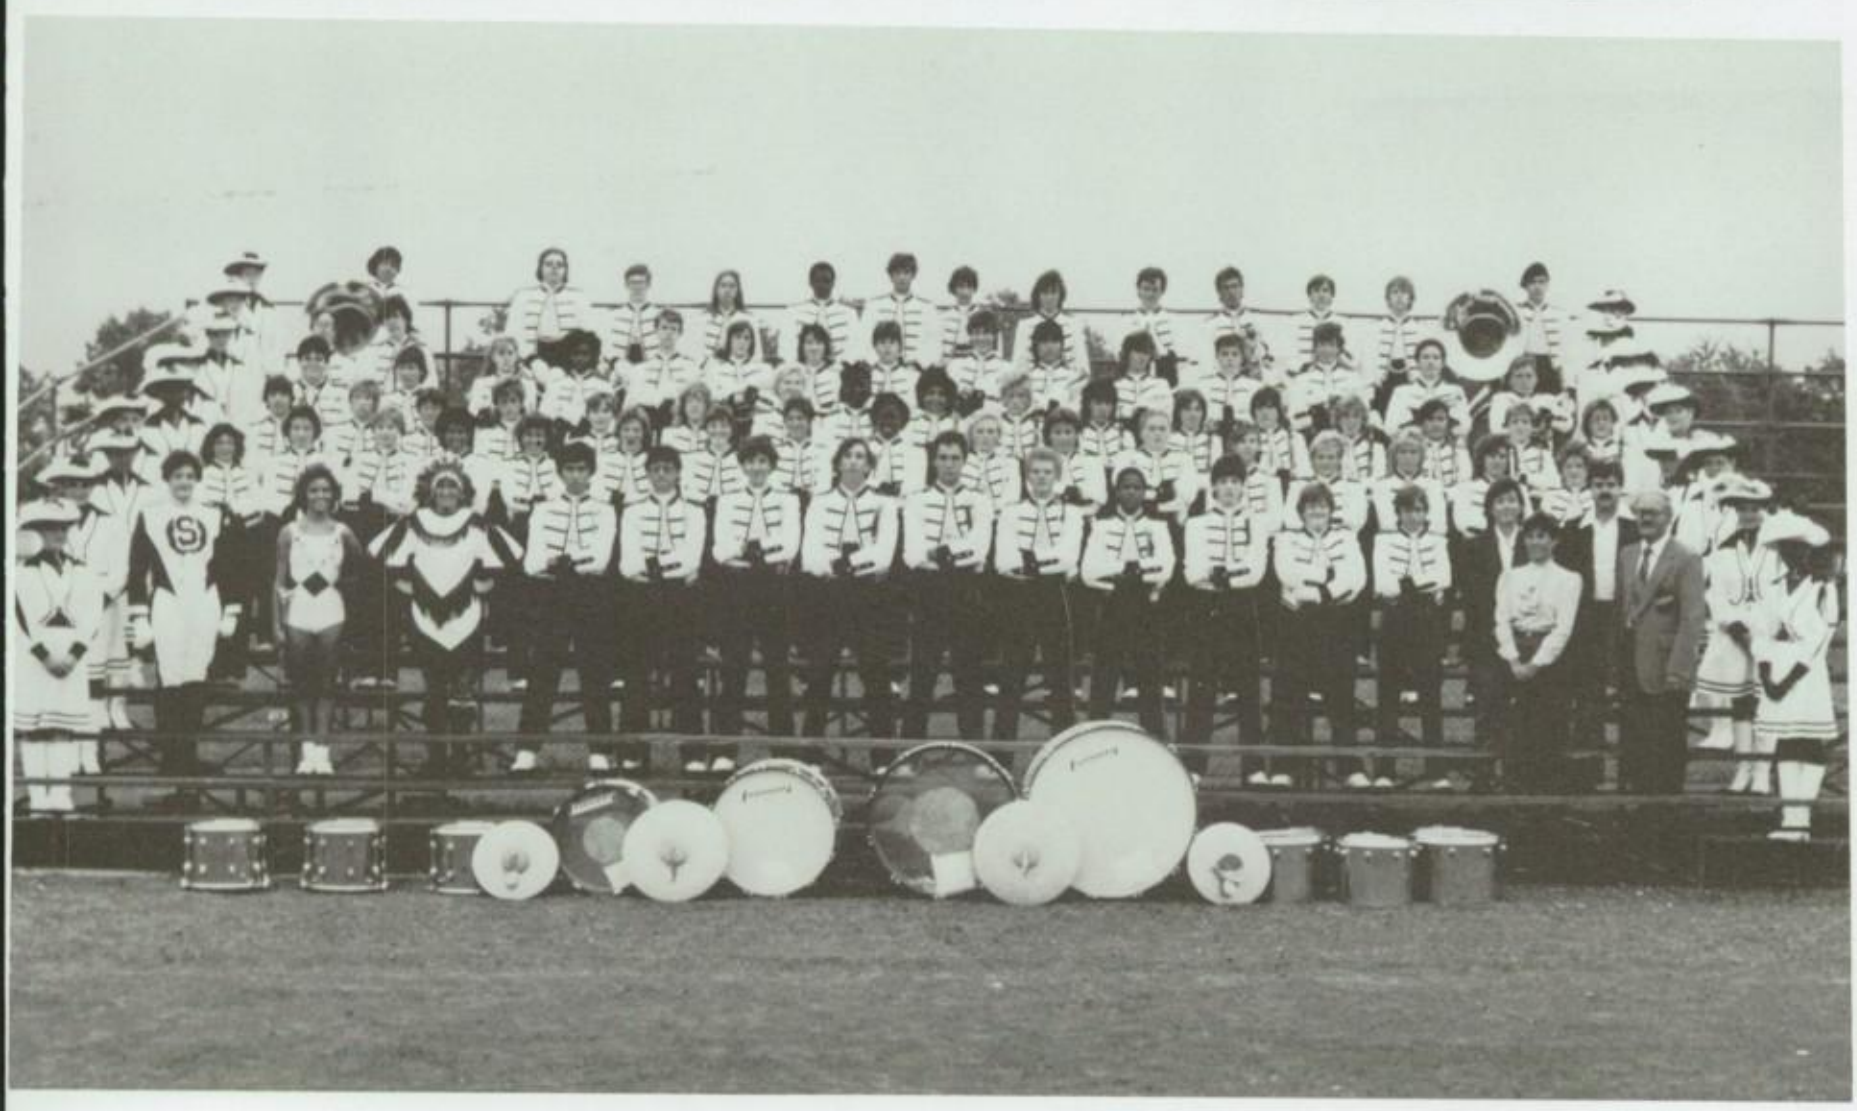
Sing, Sing, Sing Along

In 1985, Stebbins muscians and vocalists marched away to many competitions and were rewarded with several honors. Stebbins also hosted the OMEA State Band Competition during a weekend in March.

Marching Band, under the direction of Field Commander Sonya Kreml, performed at Wilmington College, and several parades including Kettering's Holiday at Home.

Marching Band awards included a first place at Tipp City. The Indians also netted a first at Marion Local and a superior rating. Majorette Kendra Bowling Received a superior rating as a twirler at the State Finals.

MARCHING TO THE BEAT



ANOTHER GREAT YEAR

Symphonic Band received an excellent rating at the Mason Band Festival and at the OMEA Competition held at Stebbins.

Stebbinette add Snap

This year's flag corp and drill team under the leadership of Pam Molden and Melissa Brashears, performed at several competitions for the first time in several years. The snap and sparkle of a sharp flag and rifle routine added just the right touch to our halftime show. The many long hours of practice and preparation are truly appreciated by everyone.

NEW LEADERS
COME TO STEBBINS

This year the administration has started a new with Mr. DiNino and Mr. Goheen leaving Stebbins and two new faces replacing them. These faces are, of course, our new principal Mr. McCullough our new assistant principal, Ms. Frei. With Ms. Frei coming to Stebbins, she brings with her a new student-administrator relationship. Ms. Frei will be able to fill in the gap of the female students problems or concerns. Mr. McCullough will lend his talent to running of the by trying to make Stebbins a better place for students to receive an education. Another new face is that of Mrs. Shoemaker who is to take the place of Betty Rike as schools book-keeper.

And the Plot Thickens

One big challenge faced by English teachers at Stebbins is preparing students for future schooling. Seniors fear the dreaded "Research Paper" while Sophomores struggle with appositives and relative clauses. Juniors hack a path through "Comp I" while Freshmen must survive "Romeo and Juliet" only to face other tragedies in the future.

Exploring the New Frontiers in History

This year the world has watched a as history unfolded the need for aid to the drought ridden areas of Africa. Stebbins students did their part through donations and the ticket sales for field day. One day Stebbins students may read of this event in new textbooks like the one the history department received this year. People often think of social studies as U. S. History, Government and World Geography but there are many more. Courses like Western Civilization, Sociology, and Political Science are very popular.

Freshmen often think of health as boring but they are often surprised at much they have learned. Many will not grow up to be doctors but they did learn CPR and how to stay fit. Sophomores and Frshmen often remember how they had to play those ''silly'' games like Doctor Ball and Cage Ball. Most of all though, the students will remember the lockerooms, smelly gym clothes and exercises.

Students go

For centuries man has attempted to explain, examine and control the unknown. Stebbins students seem to be carrying on this tradition with the likes of D. Hoggsette and D. Cuppett. D. Hoggsette won the Golden Test Tube Award given by Mr. McCray to the Chemistry I student who acheived the highest grade. D. Cuppett tied for second for the American Chemical Society Award. For this, Cuppett was awarded $750. These two students show they are going to do their part in furthering knowledge about the scientific world .

Flying High!

The ROTC program at Stebbins particpated in several activities throughout the year. These activities included color guard and honor guard units for many of Stebbins home games and two picnics. The program also participated as representatives of Stebbins at many functions out of school such as parades and dining-outs. The cadets of the program show community spirit by taking part in the U.I.P. program in which the cadets helped insulate houses. Cadets also preformed a service to the school, for they are responsible for the raising and lowering of the flag. The ROTC cadets who participated in the drill team have when to 8 parades and recieved an award for first place color guard and drill team units at the Medway parade.

Art classes, for people who have the talent, are a way of expressing their feelings, beliefs, and cultures. For those of us not fortunate enough to possess these skills, we are fascinated by the works these people produce. Many students at Stebbins have enjoyed looking at the pieces of art created by these talented individual. The art department tries to get everyone to enter at least one piece in the annual art show. These pieces are not judged. Some of the art works that were displayed are drawings, paintings, and ceramics. Also at the show, some students demonstrate various ways of jewelry making and enameling.

Fantastic? Or the sophomore blues?

Are the sophomores ''fantastic''? Or do they have the ''sophomore blues?'' as Amy Reeser states.

When Nikki Jefferson was asked about the sophomore class and how it could be improved, she simply replied, ''Good question!'' Kim Bird added, ''The sophomore spirit is active and alive! We just have to find it. It would help if we could all find a way to stand together and get **PSYCHO** against the class of '86.'' Dawn Sirks had something similar to that of Kim Bird's comment. She said, ''We'll make fools of the class of '86 if we could just get together. We need to show not just the class of '86, but everyone else that we're not just a bunch of 'Glad trashbags'. We're someone important and it's time that we showed everyone else that we are!''

'87

It seems that a lot of sophomores are embarrassed to say what they are a part of. The sophomore class has seemed to have lost their spirit during the summer of '84. The sophomore year is said to be "the year of life's biggest decisions" because you have to decide whether to go into vocational or stay academic and further your college or general knowledge. Jennifer Westfall believes that "perhaps we will excell over the seniors of '86 if we all come together and make our class that Stebbins High School has ever had!"

'87

Sophomores

During the 1984-85 school year, Mike Burita held the honorable office of President of our class--the class of 1987. Renee Swan made us all laugh as she explored the many wonders of being Vice President, while Chris Smith held the valuable position of Treasurer and lovable Nia Thomas completed the top four as secretary for our class. Not pictured are the unforgettable Senators, who are Yvonne Patterson, Ryan Stacy, Jeff Indalecio, and Hwan Cho.

This year, our class sponsored two sales, the Ester Price candy sale and the pennent sale, from which we raised over five hundred dollars. The highlight of the year came when the time of homecoming was about. Our class placed second in the "Scalp"!

MELISSA BICKEL- EDITOR

Goodbye Seniors-

The 1984-85 school year brought many changes to Walter E. Stebbins High School. The new year started with a new principal, Mr. McCulloughMr. Kuntz and Ms. Frey assumed the duties as Assistant Principals. Early in the year, Seniors received the grim news that they would attend school for the full 180 days, but were later pacified with a wonderful Senior Brunch, Assembly and graduation practice on the last days. Also to reward the entire student body, the administration permitted Field Day which was very successful.

But, now the year has come to an end and it will soon be time for more changes and experiences. To the Members of the class of 1986, I wish you the best year ever.

Have FUN!

To the Underclassmen, hang in there; your time will come. These years will go fast so enjoy every minute.

To the departing class of 1985, I can only wish that each member finds success and happiness in his future. We had a great Senior year that has left us with wonderful memories. **Best** of **luck** to all of you in the coming years. I'll miss you.

To the yearbook staff, I give a big "Thank You!" I truly appreciate each member who has made the creation of the **BATAWAT** possible.

Finally, to Mr. Painter, I thank you for all your help. It takes an extremely dedicated, hard-working, and most importantly, patient person to do the job you do. I know I speak for the entire Batawat Staff when I say that you are the best advisor ever. Thank you for hanging in there; the yearbook would not be possible without you.
